NOTICE CONCERNING CARRIERS' LIMITATION OF LIABILITY

If the carriage involves an ultimate destination or stop in a country other than the country of departure, the Warsaw Convention or the Montreal Convention may be applicable and in most cases limit the liability of the Carrier in respect of loss of, damage or delay to cargo. Depending on the applicable regime, and unless a higher value is declared, liability of the Carrier may be limited to 17 Special Drawing Rights per kilogram or 250 French gold francs per kilogram, converted into national currency under applicable law. Carrier will treat 250 French gold francs to be the conversion equivalent of 17 Special Drawing Rights unless a greater amount is specified in the Carrier's conditions of carriage.
